PHOENIX Dry Cloth – CHG-Compatible Disposable Washcloth

Instructions for Use

50 individually wrapped cloths • 20 × 25 cm (7.9 × 9.8 in)

Item No.: DC2025 | **Mfr. Part No.: DC2025-50** | **Reorder No.: PX-DC2025**

Intended Use

Single-use, unmedicated dry cloth for gentle external skin cleansing when moistened with water or a suitable cleansing solution. Supplied dry, with no added cleanser or chlorhexidine gluconate (CHG).

Directions for Use

1. **Prepare**
   Perform hand hygiene. Check that the sachet is intact, then open it and unfold the cloth.
2. **Moisten**
   Moisten the cloth with clean water or a suitable cleansing solution. If using a CHG product, follow its label and your facility protocol.
3. **Cleanse**
   Gently cleanse the intended skin area. Use a fresh cloth for each area as required by facility protocol.
4. **Dispose**
   Discard after one use in an appropriate waste receptacle. Do not flush.

Precautions and Storage

For external use only. Avoid contact with eyes. Do not use on damaged skin unless directed by a clinician. Stop use if irritation occurs. Store dry in the original sachet and protect from contamination.

CHG Compatibility

Confirm compatibility with the specific CHG formulation and concentration before use.
